“Anyone who participates in the CWEP program will reap great benefits, both in college (with flexible schedules, pay, networking, etc.) and for many years beyond. Taking advantage of this great opportunity with Lockheed Martin and UCF is the best decision that I made in my four years at UCF.” - Patrick Michael Rudroff

“Over the past two years working with CWEP, I have learned more and had more hands-on experience than I ever imagined. Employers all over look at my resume and ask me about my time at Lockheed. It is an opportunity I am so fortunate to have had and an experience I will always carry with me.” - Nicole Czubkowski
