# Student Government

New Student and  
Family Programs

# Student Government's objective is to:

**Advocate:** Student Government serves as the official voice of the student body. We meet regularly with university leaders to make sure student perspectives shape university decisions.

**Support:** SG helps fund and manage essential services that support your success both inside and outside the classroom. These services are focused on comprehensive student support, all available to **every Knight**.

**Provide:** We host events year-round to create opportunities for students to connect, celebrate, and build community through various programming.

# The SG Tradition

- **Get Involved Through SG:** Join the Executive, Judicial, or Legislative branch as well as our Election to develop leadership skills and serve the student body.

**Join the UCF Community:** Participate in intramurals, sport clubs, or one of 600+ student organizations — *many supported by SG funding!*

**Make an Impact on Campus:** Volunteer or apply for leadership roles with SG agencies through the Office of Student Involvement to help shape student life.

**Be Part of the Tradition:** Attend SG hosted events signature programs like Universal Knights — *and vote in SG elections to help shape UCF's future!*

**Stay Updated!**
